## **New Online Payment System Information**

### ***Account Instructions***

April 7, 2023

Shenandoah School Corporation has officially transitioned to e-Funds for Schools! This new system allows you to make a variety of payments (student meals, curricular/textbook fees, Pre-K tuition, After School Care, and more) online and will automatically update the student's balance in PowerSchool. Payments can be made from anywhere, at any time, and on any device via Credit Card or directly from a bank account!

### **Instructions**

A link to the new system, along with step-by-step instructions can be found [here](#). Our previous system, K-12 Payment Center, has been turned off and is no longer available (any remaining funds have been transferred and will be available immediately).

### **Breakfast/Lunch Deposits**

Cafeteria staff will no longer be able to take cash in the breakfast/lunch line. While we encourage parents to take full advantage of this new system, those who wish pay by cash or check can do so by putting payment in an envelope with the student's full name and student number on it. The envelope should be delivered to the school office before the school day begins.

### **Tech Assistance**

Please be sure to carefully read through the instructions above. In order to register for an account, you will need your student ID number. If you do not know this number, you can find it in [PowerSchool](#). If you have additional questions or need technical assistance, please email [Techhelp@shenandoah.k12.in.us](mailto:Techhelp@shenandoah.k12.in.us).
